MEDISMAR

Our offer, step by step.

Contact us

Let us know your needs, selecting a convenient form of contact:

- Fill in the contact form available on:
www.medismar.com
- Send e-mail to: info@medismar.com
- Call: +90 212 296 13 13 Fax +90 212 296 13 23

Medical information

We will provide details of all appropriate treatment centre and you will receive details of the medical documents required to qualify for a procedure. If possible, please send the appropriate medical documentation to us and complete the medical questionnaire sent by e-mail.

Treatment plan

Within 48 hours of sending all required medical documents, the medical centre will send us the date on which treatment can commence, together with a treatment plan and the estimated cost of treatment. As the treatment plan will contain the commencement date and length of treatment, we can then prepare your stay in Turkey and arrange accommodation, transport, visits to tourist attractions and a translator, should one be required.

Payment options

Upon acceptance of the treatment plan and proposed medical procedures, we will inform you about the form of payment and, in some cases, advance payment may be required for a particular procedure. All information regarding payments will be provided before the contract with the relevant medical unit for treatment is signed.

Stay in TURKEY

We will be very happy to organise your entire stay in Turkey and act as your guide, should you wish to visit the many wonderful attractions that turkey has to offer. We hope that your stay in Turkey will bring you multiple health benefits, while offering you the opportunity to sample türkish cuisine and learn about our history and culture.
